Q.—2. With reference to the proposed transfer of the Medical College from Bangalore to Mysore will the Government be pleased to state:—

(1) Whether an expression of the opinion of the Senate on the subject was obtained before passing orders?

(2) Whether the University Council was formally consulted before arriving at a decision?

(3) Whether the Vice-Chancellor had taken these bodies into confidence before submitting his views and in what capacity has he tendered them?

(4) Whether the Government are aware that the public opinion in the State is opposed to the proposed transfer?

(5) Whether satisfactory arrangements can be made in Mysore for the teaching of the subjects in the First M.B. Class, now taught by the Central College Professors with all the resources of their laboratories?

(6) Whether the Medical College and its students will not deteriorate on account of lack of the scientific atmosphere in Mysore and lack of contact with the premier scientific colleges in the State?

(7) What arrangements are proposed to be made for the teaching of midwifery and diseases of women and children in Mysore, having the Maternity and Women's Hospital in Bangalore?

(8) If the students were to spend a portion of their term in Bangalore for this purpose, are the Government

aware that during that term other important lectures and laboratory practice will be thrown into jeopardy?

(9) Are the Government satisfied that at Mysore the students will obtain as varied and rich clinical material as in Bangalore with Bowring, Curzon, Minto, Victoria, St. Martha, Mental and Women's Hospitals? If not, are the Government satisfied that the General Medical Council in London will set their seal of recognition on our Medical organisation?

(10) Whether in the thick of financial embarrassments the Government propose to find sufficient funds to meet and equip and staff a hospital of first rate professional importance in Mysore so as to secure the approval of the London Medical Council within the next two years before we send out our first batch of M.B. Graduates?

SECRETARY TO GOVERNMENT, DEVELOPMENT DEPARTMENTS.—

A.—2. (1) Government are aware of the views of the Senate on this subject.

(2) No.

(3) No reply is necessary in view of the answers to questions (1) and (2).

(4) Public opinion is divided on this point.

(5) The science subjects for the Medical Course will, under the Intermediate Scheme, form a separate I.Sc. group which will be taught in the Intermediate Colleges. The Intermediate College at Mysore will teach these and other I.Sc. groups.

(6) No. Government are decidedly of the contrary opinion.

(7), (8) and (9) The University Council have appointed a committee to make definite proposals as to the manner in which the college is to be shifted to Mysore and the provisions to be made for the most efficient working of the college at Mysore.

(10) There ought to be no difference financially whether the college is located at Mysore or at Bangalore.
